Description of the activity

The volunteer will assist in arts workshops, help organize cultural and recreational activities, support foreign language teaching, and present their own culture to the children through music, dance, and games. They will help organize exhibitions of children's art, sports competitions, and thematic events. The role also involves assisting teachers, preparing promotional materials, and searching for international partners and donors. Volunteers will receive Armenian language training twice a week during the first half of their ESC service.

The volunteer will receive a monthly allowance for food, transport and other expenses.

The volunteer will benefit from language support and mentorship throughout the project. In addition to their regular project activities, HUU also organizes a variety of cultural and social events for volunteers. These may include visits to museums, ballet and opera performances, as well as excursions to explore areas outside the capital.
